

Name : _____

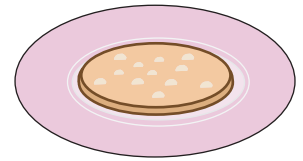

Predicate Adjectives

Predicate adjectives are adjectives that follow a linking verb. They modify the subject of the linking verb.

Example: Percy is beautiful.

Identify and circle the predicate adjective in each sentence.

1) The weather is pleasant.

2) Irene was exhausted.

3) The cookie tasted delicious.

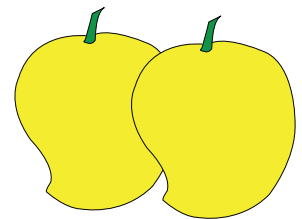

4) The vase was hard to hold.

5) Sandra feels warm.

6) The leaves turned yellow.

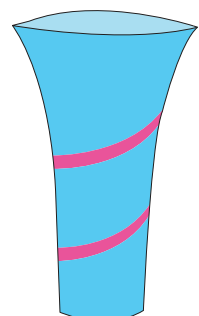

7) The poodle is hungry.

8) The mangoes are ripe and juicy.

9) The instructions were clear.

10) Garry grew silent and watchful.
