## Shades of Meaning

Write two synonyms against each adjective to complete the shades-of-meaning table. Pick the words from the box.

|               |             |           |       |
|---------------|-------------|-----------|-------|
| furiously     | coldly      | amazingly | small |
| delightedly   | excellently | angrily   | large |
| toughly       |             |           |       |
| frighteningly |             |           |       |
| unpleasantly  |             |           |       |
