## Bob's Chair Job

The story contains several instances of adverbs. Read the story, and circle the adverbs in it.

Bob has a job. It is to check the chairs. He makes sure they are safe.

Bob needs ten chairs for the game. He checks the chairs carefully. He checks each chair thoroughly.

He suddenly hears a noise. He finds a little mouse being chased by a cat. The mouse runs away.

Bob goes back to checking the chairs. He arranges the ten chairs cheerfully. His job is well done.
