

Name : _____

Homographs

Homographs are words that are identical in spelling, but different in meaning and origin. They slightly differ in pronunciation too.

Example:

Read the pairs of meanings, and choose a correct homograph for them from the homograph box.

1) to communicate one's thoughts

2) power or strength

3) past tense of learn

4) the sound that a duck makes

5) one who is thin

6) a stone

7) one circuit of a racecourse

8) to hit mildly
