

## Circle the Hyperboles

A **hyperbole** is a figure of speech which, by means of exaggeration, makes someone or something sound more impressive than they really are. Hyperboles are great tools of emphasis, humor, and creativity.

**Example:** Stars were ashamed to see the brightness on the face of Juliet.

Circle the hyperbole in each sentence.

1) Aaron saw his k

2) The businessm

3) I'm so thirsty th

4) Allen's car came

5) Halton ate the c

6) We lost our pat

7) Faber said he'd

8) The new bike put a mile-wide smile on Ava's face.

9) Roger said he was ready to wait an eternity.

10) William's jokes were so funny that we died of laughter.
