

## Rewriting Incorrect Shifts

The term “**shift in tenses**” refers to the change from one verb tense to another. Unless there is a shift in time, the tense in a sentence shouldn't be changed; or else it'll stop the meaning of the sentence being expressed clearly.

Identify the shift in the verb tense and rewrite the sentence, if the shift is inappropriate.

- 1) I'm going to eat the chocolate cupcakes that Mom baked yesterday.
