Volume of Cube Worksheet

Calculate the volume and approximate your answer to the nearest hundredth:

Side = 7 cm Volume = _____	Side = 12 inches Volume = _____
Side = 8 ft Volume = _____	Side = 5 yards Volume = _____
Side = 6 inches Volume = _____	Side = 4 m Volume = _____
Side = 25 mm Volume = _____	Side = 17 cm Volume = _____

Student Name: _____

Score: _____

Answers

Side = 7 cm	Side = 12 inches
Volume = 343 cm^3	Volume = 1728 in^3
Side = 8 ft	Side = 5 yards
Volume = 512 ft^3	Volume = 125 yd^3
Side = 6 inches	Side = 4 m
Volume = 216 in^3	Volume = 64 m^3
Side = 25 mm	Side = 17 cm
Volume = 15625 mm^3	Volume = 4913 cm^3
