# Prime and Composite

Color all the prime stars yellow and the composite stars green.

The scene is a night sky with a light blue background. At the top left is a yellow crescent moon. In the center, a brown reindeer with yellow antlers is pulling a red sleigh with Santa Claus inside. At the bottom, there is a city skyline with several blue buildings of varying heights, each with yellow windows. Scattered throughout the sky are white stars, each containing a number. The numbers are: 97, 85, 5, 91, 67, 40, 66, 80, 83, 13, 31, 32, 52, 59, 18, 58, 3, 29, 45, 71, 28, 69, 76, 43, 17.
