The illustration features a yellow school bus with a smiling face on a grey road. The background is a light blue sky with several white clouds, some containing numbers. The ground is green with trees, flowers, and a pond with two birds. At the bottom, there are icons of a slide, a swing set, and a seesaw with children playing.

Counting Backward by 9s

Count backward by 9s, and write the missing numbers on the clouds of smoke.

The illustration shows a yellow school bus with a smiling face on a grey road. The bus is emitting smoke that forms clouds with numbers. The numbers are: 9, 18, 27, 36, 45, 54, 63, 72, 81, 117, 126, 152, 171, and 180. A large blue 'PREVIEW' watermark is centered over the scene. Below the watermark, there is text: 'Gain complete access to the largest collection of worksheets in all subjects!', 'Members, please log in to download this worksheet.', 'Not a member? Please sign up to gain complete access.', and the website 'www.mathworksheets4kids.com'. The background includes green trees, a pond with two birds, a butterfly, and a playground with a slide, swing, and seesaw.
