Counting Backward by 9s

Count backward by 9s, and write the missing numbers on the clouds of smoke.

The illustration shows a yellow school bus with a smiling face on a grey road. In the background, there is a green field with a playground featuring a slide, a swing set, and a seesaw with two children. There are also trees, flowers, and a pond with two birds. The sky is light blue and contains several white clouds with numbers inside. A large white box with a blue border is in the center, containing a 'PREVIEW' advertisement. The advertisement text includes: 'Gain complete access to the largest collection of worksheets in all subjects!', 'Members, please log in to download this worksheet.', 'Not a member? Please sign up to gain complete access.', and the website 'www.mathworksheets4kids.com'. The numbers in the clouds are: 27, 18, 9, 36, 45, 54, 63, 72, 81, 117, 126, 1, 152, 171, and 180.
