# Picture Graph - Paint Colors

Jason wanted his house to be painted. He asked his friends to suggest a color for walls. He put the information in a picture graph. Answer the questions.

### Favorite Paint Color

- 1) Which color is \_\_\_\_\_
- 2) How many friends like yellow? \_\_\_\_\_
- 3) How many fewer votes are there for orange than blue? \_\_\_\_\_
- 4) How many friends did he ask the suggestion? \_\_\_\_\_
- 5) Write the names of the colors in order from the least voted to the most voted.
