## Fact Family - Addition & Subtraction

1)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$

2)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$

3)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$

4)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$

5)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$

6)

$\square + \square = \square$   
 $\square + \square = \square$   
 $\square - \square = \square$   
 $\square - \square = \square$
