

## Comparing Integers

Sheet 1

A) Circle the greatest integer.

1)  $-18$  ,  $50$  ,  $75$  ,  $-26$ 2)  $-89$  ,  $10$  ,  $-66$  ,  $-14$ 3)  $46$  ,  $-29$  ,  $-61$  ,  $64$ 4)  $-93$  ,  $-37$  ,  $-4$  ,  $-78$ 5)  $92$  ,  $57$  ,  $40$  ,  $32$ 6)  $-42$  ,  $20$  ,  $45$  ,  $53$ 

B) Circle the smallest integer.

1)  $36$  ,  $9$  ,  $52$  $63$ 3)  $23$  ,  $64$  ,  $-33$  $7$ 5)  $-84$  ,  $-79$  ,  $34$  $-76$ 

C) Mary bought a share in a company. The following data displayed the change in stock price from Monday to Thursday.

al company. The  
y from Monday to

Day
Change in stock (dollars)

Monday	Thursday
	$-120$

1) Which day recorded the highest change in stock price?

2) What was the highest change in stock price between Monday and Thursday?

D) A group of students participated in a preliminary level of a spell bee contest. Misspelled words carried negative points. The scores of four students are depicted in the table below.

Contestant	David	Jennifer	Lisa	Mathew
Score (points)	$34$	$-12$	$-1$	$40$

1) Who scored the maximum points? \_\_\_\_\_

2) How many students scored negative points? \_\_\_\_\_
