

Comparing Integers

A) Circle the greatest integer.

1) 35 , -73 , -40 , -11

2) -27 , -89 , -14 , -63

3) 53 , 86 , -28 , -67

4) -75 , 0 , 22 , 48

5) -16 , -95 , 67 , 8

6) 94 , 55 , 61 , 32

B) Circle the smallest integer.

1) 88 , 61 , 23

-54

3) -11 , 38 , -9

75

5) 58 , -72 , 86

-68

C) Janice weighs 167 pounds. The following table records her change in weight over a four-month period.

eight. The following data

Month
Gain and Loss (pounds)

h	April
	-5

1) In which month did she gain the most weight?

2) How many pounds did she gain in the month period?

D) The minimum average temperatures (degree centigrade) for Munich from January to April is recorded and tabulated below.

Time	January	February	March	April
Temperature (°C)	-4	-3	0	3

1) List the months that recorded subzero temperatures. _____

2) Which month recorded the warmest temperature? _____

Comparing Integers

A) Circle the greatest integer.

- 1) **35** , -73 , -40 , -11
- 2) -27 , -89 , **-14** , -63
- 3) 53 , **86** , -28 , -67
- 4) -75 , 0 , 22 , **48**
- 5) -16 , -95 , **67** , 8
- 6) **94** , 55 , 61 , 32

B) Circle the smallest integer.

- 1) 88 , 61 , **23** , -54
- 3) -11 , 38 , -9 , 75
- 5) 58 , **-72** , 86 , -68

C) Janice weighs 167 pounds. The following table records her change in weight over a four-month period.

Month
Gain and Loss (pounds)

- 1) In which month did she gain the most weight?
- 2) How many pounds did she gain in that month period?

eight. The following data is recorded:

h	April
	-5

- January**
- 20 pounds**

D) The minimum average temperatures (degree centigrade) for Munich from January to April is recorded and tabulated below.

Time	January	February	March	April
Temperature (°C)	-4	-3	0	3

- 1) List the months that recorded subzero temperatures. **January, February**
- 2) Which month recorded the warmest temperature? **April**
