

Adjective Clauses

An **adjective clause**, also called a relative clause, is a dependent clause that functions as an adjective in a sentence. These are introduced by relative pronouns such as who, which, that, where, when, whose, etc.

Example: Let's salute the real heroes who have sacrificed their lives for our nation.

Underline the adjective clause, and circle the noun it modifies in each sentence.

1) I consoled Neville, who had failed in the exam.

2) The naughty cat a _____ inner.

3) The park bench w _____ s.

4) The hungry tiger, v _____ e zebra.

5) Do you remember _____

6) This is Prof. Gonza _____ ne project.

7) The book, which I _____

8) Anyone who solves this riddle will be rewarded.

9) The apartment where I lived three years ago is being renovated now.

10) Cold weather is the reason why I canceled the trip.
