

An **adverb clause** is a dependent clause that functions as an adverb in a sentence.

Example : "My dog likes to sleep on the sofa when I am home."

Underline the adverb clause in each sentence.

1) Hudson loves eating popcorn because it is spicy.

2) Let's go to the park when the weather is nice.

3) Don't forget to call me when you are home.

4) When Marge saw Bart, she broke into a huge smile.

5) The sports van left when the kids were ready.

6) The sheets were clean when the laundry day came.

7) Ursula tended to the plants when she had time.

8) The party was over when the guests had left.

9) We will walk to the park after Dad gets home from work.

10) Work hard until you reach the level of success you desire.
