Complete each sentence using “fewer” or “less”.

1) I spent only ________ than 10% of my salary this month.

2) Hash browns are made with ________ ingredients than any other dish.

3) Powell makes ________ mistakes in his essays than before.

4) I wish I could spend ________ hours on homework.

5) Patrick has only ________ than 200 dollars in his account.

6) There were ________ volunteers at the event than usual.

7) The chicken weighed a little ________ than eight pounds.

8) Now that I’m familiar with the city, I take ________ minutes to reach work.

9) The storybook will cost only $8 or ________.

10) Linda ate ________ marshmallows than Dan.
“Fewer”, which means not as many, is the comparative form of few, and it’s used before countable nouns.

Example: I have fewer cups of tea than I used to.

“Less”, which means not as much, is the comparative form of little, and it’s used before uncountable nouns.

Example: I drink less tea than I used to.

Complete each sentence using “fewer” or “less”.
