

## Compound Words

In **open compound** words, there is a space between the two words joining together to form the new word.

**Example** We spent the day at the amusement park riding roller coasters.

Underline the open compound words in these sentences.

1) I dropped an ice cube into my drink.

2) She added some hot sauce to her tacos for extra flavor.

3) When the fire station conducts regular drills to stay prepared.

4) The fire station conducts regular drills to stay prepared.

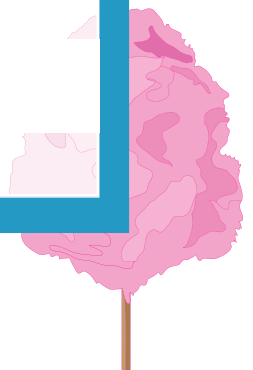

5) We turned on the lights.

6) Matt is in his room.

7) Iron is a metal.

8) We need to go to the store.

9) Child's eyes sparkled at the sight of cotton candy.

10) Our car is in the parking lot.
