

## Compound Words

Read the story "Enchanted Journey" and underline the compound words in it.

One sunny morning, Lily ventured

into the dense forest. Wildflowers scattered along her path. As she continued her journey, the sound of a distant waterfall grew louder, guiding her towards a mesmerizing cascade into a crystal-clear pool.

Beside the pool, a majestic oak tree stood tall, its branches

Along the path, she encountered breathtaking landscapes. She marveled at the fluttering butterflies, the graceful hop of a grasshopper, and the vibrant colors of the sunflowers. The melodious chirping of birds filled the air.

Exploring the forest, she discovered hidden gemstones and ancient ruins. As the sun began to set, Lily bid a farewell to the enchanting realm and returned home.

Arriving home, she found her room waiting for her. In her bedroom, her mind still filled with the magic of the forest. With a contented heart, Lily drifted into a peaceful sleep, eager to embark on new adventures in the morning.
