

Name : _____

Look and See in the Woods

by Liana Mahoney

What is under the leaves? I will dig and see!

There is a toad under the leaves.

There are spiders under the leaves.

There is a worm under the leaves.

Wait. This is not a worm.

What is under a log?

There is a worm under the log.

There is a beetle under the log.

There is a button under the log.

Wait. This is not a button.

What is under a rock?

There is a seed under the rock.

There are ants under this rock.

There are legs under this rock.

Legs?

Wait! This is not a rock. It's a turtle!
