I love to hunt for treasure. My mom made me a map. She says I can find the treasure.

First, I look in the living room. I sniff the air.

"Yummy! The air smells like something good."

Next, I follow the map to the kitchen. I find a clue on a cup. It tells me to bring it along.

Last, I follow the map to the dining room. My mom is at the table with cookies and milk. A yummy treasure!
