Jelly Bean Tree

by Liana Mahoney

If only jelly beans grew on trees!
I'd pick the flavors that I please.
I'd build a treehouse - YES! That way,
I could munch on sweets all day!

Just open up my door
Caramel corn, and
and coconuts, and
NEVER out of jelly beans!

Jelly beans on trees!
French vanilla, cotton
juicy pear, peach, lime
apple, melon, bubblegum

It's time to make my dream come true.

I think I know just what to do:
I'll plant some jelly beans and wait.
My candy tree will be so great!
