

First Conditionals

The first conditional talks about things that might happen in the future. To form a first conditional, we use the present simple in the "if/when" clause and the future simple in the other clause.

Example : Jay (submit) the report when he (be) done with it.

Jay will submit the report when he is done with it.

PREVIEW

Use the correct verb tenses to complete the first conditional sentence.

1) The boys (win) the game if they (train) hard.
