

Name : _____

Conjunctions

A **conjunction** is a part of speech that connects words, phrases, or clauses in a sentence.

Example: Melinda wore her birthday outfit to the party and the recital.

Circle the conjunction

1) The bees continue to fly from the flowers to the nectar for honey.

2) The little rose petals fell to the ground for a while.

3) It is important for the bees to fly from the flowers to the nectar for honey.

4) Do you need a pencil to write the words on the page?

5) Snowy is unwell, so he is staying in his house.

6) As the shepherd was walking, he was looking after his sheep.

7) Maria apologized to the teacher for being late.

8) The farmer tried hard, yet he failed to move the boulder.

9) The old lion was hungry, but it could not hunt its prey.

10) The tree said to the woodcutter, "If you spare me, I will give you golden apples."
