

Homographs

Homographs are words that are identical in spelling but different in meaning and origin. They may differ in pronunciation too.

Example: I added a drop of vanilla to the batter. (a small amount)
We can drop you off at the mall after lunch. (transport)

Fill in each blank with a homograph that best fits in.

- 1) The recipe called for _____.
- 2) Lillian is a very _____.
- 3) Dustin's outfit had _____.
- 4) Pedro is a big _____.
- 5) Turn _____ at _____.
- 6) We brought a pot _____.
- 7) There are only a _____.
- 8) The tower started to _____ to one side after the strong wind.
- 9) There are 18 students in Greg's _____.
- 10) What _____ of music do you like?
