

Hyperbole

Hyperbole is a figure of speech that, by means of exaggeration, makes people or things sound more significant than they really are. Hyperboles are great tools of emphasis, humor, and creativity.

Example: The snow was so deep it could bury a house.

The snow was very deep.

Explain the hyperbole in each sentence.

1) This book is so thick

2) Her voice is so sweet

3) The kids have been

4) Martha is so slender

5) This curry is hotter

6) Mr. Hill was so surprised

7) Dad loves his little son to the moon and back.

8) Danny bent over backwards to do his tasks at work.
