

Explaining the Hyperboles

A **hyperbole** is a figure of speech which, by means of exaggeration, makes someone or something sound more impressive than they really are. Hyperboles are great tools of emphasis, humor, and creativity.

Example: Matt walked slower than a snail.

 Matt walked very slowly.

Explain the hyperbole in each sentence.

1) Joseph called me a thousand times today.

2) It took him forever

3) Drake could move

4) We have so much

5) I will drink life to th

6) Cindy's smile lit th

7) The music was so loud that you could hear it on another planet.

8) I could crab-crawl in the desert to get a glimpse of my favorite actor.
