Interjections

Underline the interjections in the poem and write them in the space provided.

My Interjections Fiesta

I softly pushed open the door.

Voila! This I had never seen before.

Pearly hills along sapphire waters.

Woooh! I am sure I'm in an enchanted land.

Strange creatures, Gee! Are there any more?

All at once they caught my sight.

"Hey, Have no fear, for we mean you no harm."

I wonder, Whoa! Must be a special occasion.

We're the elves, gnomes, goblins, and fairies.

Hiya! We welcome thee to join our party.

"Aloha, Let's then whoop it up and have some fun."

So we rollicked 'n' frolicked, until I skipped 'n' tripped.

Ouch! It hurt like I was washed ashore.

I fell on my bedroom floor.

I heard me scream.

It was a fairytale dream!
