

Name : _____

Participial Phrases

A **participial phrase** consists of a participle (a word formed from a verb and sometimes used as an adjective) and any modifiers and complements.

Example: Setting small targets, designated weekly or monthly, helps kids achieve goals easily.

Underline the participial phrase in each of the sentences.

1) Cities known for their architectural splendor are my favorite.

2) Inspired by Mrs. H, the students decided to study music.

3) Nothing pleases the children more than their mother's cooking, preferably mashed.

4) Traveling all across the country, the students learned about Asian diversity.

5) Thomas showed a great interest in the subject, to the teacher.

6) Kevin owes his fitness to his father's habit of daily vigorous exercising.

7) Supported by her friends, the girl participated in the talent show.

8) Focusing on the goal, the striker hit the ball accurately.

9) We took the badly injured player to the hospital for immediate care.

10) With attractively reduced ticket rates, the amusement park has sparked new interest among tourists.
