As they ventured on, Oscar and Benny stumbled upon a hidden cave. Intrigued, they
decided to go inside. To their surprise, it
wouldn't open. Lured by a squirrel nearby, they suggested
they try to find a way in.
With squeals and excitement, they began to dig. After a while, they revealed
sparkling gems and a small tunnel. The changes that led to
a sparkling river. To reach it, they had to jump over stepping stones and wade through
shallow water.
Midway through the challenges, they came across a friendly beaver named Woody,
who offered them a shortcut. They crossed the bridge and
crossed the river with ease. As they continued, they stumbled upon a field of wildflowers
and decided to settle down for a picnic.

As the sun began to set, Oscar, Benny, Tucker, and Woody realized it was time to head home. They retraced their steps, following the magical lantern's light back through the forest
