An **adverbial phrase** is a group of words that acts as an adverb in a sentence. It answers how, when, or where.

**Example:** The manager asked us to finish the work **as quickly as possible.**

Underline the adverbial phrase in each sentence, and write which of the three questions it answers: how, when or where.

1) Miley did her job **surprisingly** well.
2) A bald eagle soared over the **rainbow**.
3) The match will start in a few minutes.
4) Contact the help desk in the morning.
5) Casper writes like a **seasoned poet**.
6) Grandpa sauntered along the river.
7) Joshua reached home earlier than usual.
8) We built a campfire in the backyard.
9) Henry is quite **easily** distracted.
10) The students assembled in the auditorium.
