# Making Predictions

Sheet 1

Match each scenario to the most logical outcome.

1)

The sky is getting very dark, and the wind is picking up.

It wants to go outside.

2)

Sam keeps rubbing his eyes and yawning.

She thinks it might rain.

3)

The cat is sitting by the door meowing loudly.

He is tired and might take a nap.

4)

There are balloons and wrapped gifts on the table.

A storm is coming soon.

5)

Julie is carrying an umbrella and wearing rain boots.

Someone is having a party.
