

# Prepositions

Observe where the people, animals, and objects in the park are located or moving toward. Read each sentence and answer "yes" if the preposition used is correct and "no" if it's not.

Example: The park is beside the lake.

- |  |                                    |                                   |
|--|------------------------------------|-----------------------------------|
| 1) The dog is hiding                           | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 2) The girl is on the s                        | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 3) The boys are playi                          | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 4) The little girl is running toward the tree. | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 5) The young lady is in front of the slide.    | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 6) The bird is under the tree.                 | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 7) The beach toys are in the sandbox.          | <input type="button" value="Yes"/> | <input type="button" value="No"/> |
| 8) The cat is jumping over the bush.           | <input type="button" value="Yes"/> | <input type="button" value="No"/> |

## Prepositions

Observe where the people, animals, and objects in the park are located or moving toward. Read each sentence and answer "yes" if the preposition used is correct and "no" if it's not.

Example: The park is beside the lake.

Yes

No
