

A colon is used to introduce a list or a quotation and to link two related sentences.

Example: Coach Connors benched four players: David, John, Michael, and Robert.

# PREVIEW

Rewrite each sentence with a colon.

1) Always remember the man who does not kill you makes you stronger.

2) Ms. Char said, "I am not a mathematician, but I am a mother."

3) The book is very interesting.

4) After the meeting, the manager said, "I am not a mathematician, but I am a mother."

5) This is my favorite book.

6) Meg does a combination of every day cardio, weight lifting, and stretching exercises.

7) We have two options going to the concert or heading to the beach.

8) Peter has a few qualities I admire perseverance, confidence, and kindness.
