

Simile is a figure of speech that compares two different things using the word "like" or "as".

Circle the simile and underline the subject of the simile in each sentence.

1) Mike's new shoes sparkled like shiny disco balls.

2) The road was as long as a ribbon.

3) The car sped like a rocket.

4) Shane ate his sandwich as fast as a hungry mouse.

5) The clouds drifted like cotton candy.

6) The frog croaked like a lawnmower.

7) Aubrey sang like a nightingale.

8) The night was as dark as a cave.

9) The old swing creaked like a rusty gate.

10) The child's laughter was as infectious as a yawn.
