

Simile is a figure of speech that compares two different things using the word "like" or "as".

Circle the simile and underline the subject of the simile in each sentence.

1) The tree is short, but it's as sturdy as an oak.

2) Ashley is as fast as a cheetah.

3) The forest is as quiet as a library.

4) The leaves rustle like paper.

5) Sasha's face glowed like a lightbulb.

6) Sean's determination was as strong as steel.

7) The city seems like a never-ending party.

8) Britney's voice was as sweet as honey.

9) Jack's hands were as rough as sandpaper.

10) Logan works hard like a machine.
