

Subject and Object Complements

A **subject complement** is a word or phrase that describes or renames the subject. It gives more information about the subject.

Example : The math(puzzle)was hard.

Circle the subject of each sentence and underline the subject complement.

1) The geography quiz was complicated.

2) The math test was easy.

3) Lisa's project was excellent.

4) The geography project is highly ambitious.

5) The school books are interesting.

6) Noah's art project was beautiful.

7) The music class was fun.

8) The teacher was strict.

9) Emma's leadership was lively.

10) Shelly's essay remained influential.
