

Line Graph - Amy's Savings

Amy saves from her weekly wages (in dollars). She tracked how much she had saved every week on a graph. Read the graph and answer the questions.

- 1) How much less money did she save in week 1 than in week 2? _____
- 2) How much more money did she save in week 3 than in week 5? _____
- 3) Which week had the highest savings? _____
- 4) How much money did she save in week 3 and week 4 altogether? _____
- 5) Which week did she save 20 dollars? _____
