- 1) Brenda walks into the store and buys a mouse. How much does she pay?

- 2) Yvonne is second in line and buys a camera and a speaker. What is the total amount she needs to pay?

- 3) Rick has been saving money and buys a mouse. What is the total amount he needs to pay?

- 4) Fiona wants to buy a tablet and a camera for her niece. How much will both items cost?

- 5) Noah purchases two items, and the total cost of his purchase comes to \$85.82. What do you think these items could be?
