

Name : _____

Adding and Subtracting Money

Sheet 1

- 1) Patricia visited a toy store and bought a toy horse and a miniature train. How much money did she spend at the store?

- 2) Kevin picked up a helicopter toy for his nephew and handed \$10.00 to the cashier. How much change did he receive?

- 3) Mia purchased a plush toy fish and a plush teddy bear, while her brother, Leo, bought a drum set and a car. Who spent more money?

- 4) Anna had \$12.25 in her purse. After buying a small doll, how much money was left?

- 5) Eric had \$7.00 in his wallet. Was this enough to buy an elephant and a boat from the toy store?
