

Making Change

TOY KINGDOM

- 1) Daisy picks up a duck and a teddy bear. If she hands over \$50.00, how much change will she get?
- 2) Ken selects a train set and a colorful airplane toy. If he hands over \$100.00, how much change will he get?
- 3) Nina picks out a charming girl doll and a colorful airplane toy. If she hands over \$50.00, what change does she receive from the cashier?
- 4) Mary buys a cat plush toy and a cuddly teddy bear at the store. After paying \$20.00, how much change does she get at the counter?
- 5) Tim picks up a horse toy and a duck toy. If he hands over \$80.00, how much change will he get in return?
