Complete the multiplication equation that describes each model.

1) 

\[
\square \times 4 = 8
\]

2) 

\[
20 = \square 
\]

3) 

\[
15 = \square 
\]

4) 

\[
3 \times \square = 9
\]

5) 

\[
\square \times 2 = 10
\]
Complete the multiplication equation that describes each model.

1) \[ \text{2} \times 4 = 8 \]

2) \[ \text{4} \times \text{5} \]

3) \[ \text{3} \times \text{3} = 9 \]

4) \[ \text{3} \times \text{1} \]

5) \[ \text{5} \times 2 = 10 \]
