

## Multiplication - Winter Theme

1) John builds 4 snow globes for Christmas. How many snow globes does he have?

2) John and his twin brother Trevor made three snow globes each. If John made 4 snow globes, how many snow globes did Trevor make?

3) Trevor decorated his snow globes with stickers for each page. If he used 12 stickers for each page, how many snowflake stickers did Trevor use?

4) Mr. Allen buys 9 Christmas stockings to decorate the fireplace mantel. If a stocking costs \$12, how much did Mr. Allen spend in all on his purchase?

5) The Allen twins invited 8 friends over for a 'Batman' themed party. They had 2 cups of hot chocolate each through the day. How many cups of hot chocolate did Mrs. Allen make for her sons and their friends?
