

# Coloring Activity

Color the odd bubbles blue and the even bubbles green.

The scene is an underwater world with a sandy bottom. At the top, there are blue waves representing the water surface. The water is light blue. In the center, there are several colorful fish: a blue fish with orange fins, a purple fish with pink fins, a pink fish with green fins, a green fish with brown fins, a yellow fish with orange fins, and a purple fish with yellow fins. There are also various sea creatures on the bottom: a pink octopus, a yellow octopus, a pink starfish, a green starfish, a pink seashell, and a green seashell. The bottom is decorated with green and pink coral, grey rocks, and brown shells. Scattered throughout the water are bubbles of various sizes, each containing a number. The numbers are: 39, 48, 15, 22, 37, 14, 10, 25, 9, 46, 43, 50, 34, 17, 21, 45, 6, 2, 33, 40, 18, 7, 28, 41, 19, 42, 31.
