B) 1) At the school carnival, the ticket booth collected 800 one-dollar coins, while the food stall collected 32 ten-dollar coins. How much money did the ticket booth collect?

2) Between a book and a pencil, the book cost \$1.20 more than the pencil. If the book cost \$1.80, how much did the pencil cost?

C) Ms. Leeds, a baker, baked 240 delicious cupcakes. If she arranges the cupcakes into trays, with 10 cupcakes per tray, how many trays can she fill?
