The poster features a central blue box with white text. To the left of the box are four purple hearts, and to the right are four blue hearts, with a comma between the two groups. Red lines connect the hearts to a giraffe on the left and a kangaroo on the right. Below the giraffe is a purple cylinder labeled 'Billions', and below the kangaroo is a blue cylinder labeled 'Millions'. At the bottom of the poster, a zebra is on an orange cylinder labeled 'Thousands', and a fox is on a purple cylinder labeled 'Units'. The entire scene is set against a background of horizontal lines.
