# PLACE VALUE POSTER - MILLIONS

The diagram illustrates place values from Millions to Ones. A central blue-bordered box contains a 'PREVIEW' message and a website URL. The place value boxes are as follows:

- Millions:** A single box containing the digit 8.
- Hundred Thousands:** A box containing three stacked boxes, each with a digit 8.
- Thousands:** A box containing three stacked boxes, each with a digit 8.
- Hundreds:** A box containing three boxes, each with a digit 8.
- Tens:** A box containing one box with a digit 8.
- Ones:** A box containing one box with a digit 8.

Labels for the place values are: Millions, Hundred Thousands, Thousands, Hundreds, Tens, and Ones. A central blue box contains the text: **PREVIEW**, Gain complete access to the largest collection of worksheets in all subjects!, Members, please log in to download this worksheet., Not a member?
