

Name : _____

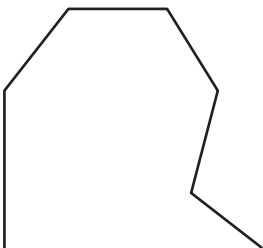

Types of Polygons

Irregular-concave: S3

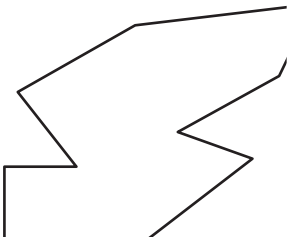

Write the number of sides and name each polygon.

1)  Number of sides _____
Polygon type _____

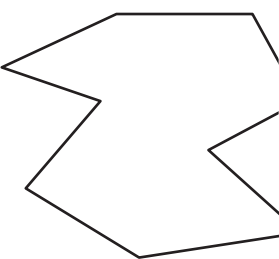

2)  Number of sides _____
Polygon type _____

3) 

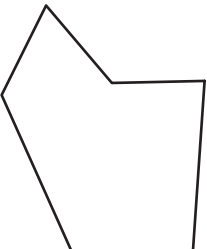

4)  Number of sides _____
Polygon type _____

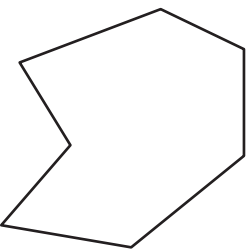

5) 

6)  Number of sides _____
Polygon type _____

7) 

8)  Number of sides _____
Polygon type _____

9)  Number of sides _____
Polygon type _____

10)  Number of sides _____
Polygon type _____
