Write the number of sides and name each polygon.

1) Number of sides  
   Polygon type

2) Number of sides  
   Polygon type

3) Number of sides  
   Polygon type

4) Number of sides  
   Polygon type

5) Number of sides  
   Polygon type

6) Number of sides  
   Polygon type

7) Number of sides  
   Polygon type

8) Number of sides  
   Polygon type

9) Number of sides  
   Polygon type

10) Number of sides  
    Polygon type

Types of Polygons

Write the number of sides and name each polygon.

1) Number of sides
   Polygon type
   7
   Heptagon

2) Number of sides
   Polygon type
   5
   Pentagon

3) Number of sides
   Polygon type
   6
   Hexagon

4) Number of sides
   Polygon type
   8
   Octagon

5) Number of sides
   Polygon type
   4
   Quadrilateral

6) Number of sides
   Polygon type
   9
   Nonagon

7) Number of sides
   Polygon type
   8
   Octagon

8) Number of sides
   Polygon type
   6
   Hexagon

9) Number of sides
   Polygon type
   10
   Decagon

10) Number of sides
    Polygon type
     3
     Triangle
