Matching Same Objects

Sheet 1

Draw a line to match the same objects.

The image shows a matching exercise with two columns of tools, each enclosed in a green octagonal frame. Red lines with hand icons at the ends connect identical objects between the columns. The connections are as follows:

- Scissors (top left) connects to Scissors (middle right).
- Knife (middle left) connects to Knife (top right).
- Wrench (middle left) connects to Wrench (bottom right).
- Saw (bottom left) connects to Saw (middle right).
- Pliers (bottom left) connects to Pliers (middle right).
